This needs work, not sure what they were aiming at? It had a malty citrusy profile on each sip. If it was cleaner then i would have dig it

berniersliquors Come on over this afternoon and let that peerless pitchman Chris Sigman talk with you about the beers in his briefcase! You will get a chance to see, for instance, that Proclamation is adept at whatever style they brew in, and that Finback makes the most delightful dessert IPA's. Kindly come try some delightful beer in sundry styles! @beerdbrewing @aeronautbrewing @proclamationale @fiddleheadbrewing @finbackbrewery @crftcollective Woohooooooo!! #finbackbrewery #proclamation #beerd #fiddlehead #aeronaut #vermontbeer #shelburnevermont #somerville #riverside #warwickri #madeinconnecticut #newenglandcraftbeer #tasting #raconteur #liquorstore #pouring #craftstagram #craftbeer #supportsmallbusiness #berniersliquors
